Admission.

The following persons will be received as students, viz : Those who present evidence of having been appointed scholars of the Society for the Promotion of Religion and Learning :

Those who present testimonials of moral and religious character, and who are prepared to commence their classical studies for entrance to the Freshman class of *this* College, or who are prepared to enter any advanced class:

And those who wish for special preparation, in order to enter the General Theological Seminary.

All students are on probation until Epiphany, when they are required to matriculate. They must be at least *fifteen years* of age, and be ready to subscribe the declaration, prescribed by the Board of Trustees.

An aptitude for study, industrious habits, perseverance, an obedient and orderly disposition and especially a love of works of piety, are qualities which should characterize those applying for scholarships. When young men recognize the want of any of these qualities, it would be well not to accept an appointment to the College, and thus save themselves and their friends from future disappointment and mortification.

All applicants, whether for Preparatory or Freshman class will be examined in

Arithmetic,

Geography,

English Grammar,

Spelling.

From those who come from any Academy of the State of New York, a Regents' certificate of Academic Scholarship will be received in lieu of the above examination.

Applicants for the Freshman class will in addition be examined,

In Latin : Caesar, four books: Virgil's *Æneid*, six books: Cicero, six orations: Sallust's *Catiline*: and *Jugurthine War*, or Virgil's *Eclogues*: and 12 chapters of Arnold's *Latin Prose Composition*: Andrew's *Latin Grammar*.

Preparatory Course of Candidates for Orders.

An opportunity is afforded to those who do not intend to pursue the regular course of study for a degree, but who wish to become candidates for orders, of reciting with such classes as will prepare them for an examination on the subjects prescribed by the canons of the Church. Such a course will require two or three years, according to the previous preparation of the student. Those who satisfactorily sustain the examination will be furnished with a certificate to that effect. The examination according to the canon will embrace the following subjects:

English Language and Literature.

Logic.

Rhetoric.

Mental Philosophy.

Moral Philosophy.

Physics—or Natural Philosophy.

History.

Latin Language.

Greek Language.

A student, who sustains an examination on the Latin and Greek of the two Preparatory classes, and of the Freshman class, and on the English studies of the Junior and Senior classes, will be enrolled as an Alumnus of the Collège.

Examination.

The standing of students is determined entirely by an examination, conducted mostly in writing. There is an examination at the end of each term in Latin and Greek, in English Language and Literature, in Natural, Mental and

Moral Philosophy, Astronomy, Logic, Rhetoric, Hebrew, and the different branches of Mathematics, only when the book or study has been completed. A student marked below 75 is regarded as not having sustained his examination, and will not be recommended for the degree of Bachelor of Arts until all the required examinations are sustained.

By a rule of the Board of Trustees, the degree of Master of Arts may be conferred on those Bachelors of Arts of three years standing, who shall have performed satisfactorily such literary exercises as may be assigned them by the Faculty.

Commencement.

The next annual Commencement will be held on Thursday, June 21st, 1883. Divine service will begin in the College Chapel at 11 o'clock A. M.; and the usual literary exercises of the students at 12 M.

Library and Apparatus.

There are at present about 2,500 volumes in the Library. A valuable collection of Philosophical Apparatus was presented to the College by the Hon. J. V. L. Pruyn in 1865. Mr. John Campbell presented a telescope in 1875. The telescope is an achromatic refractor of eight inches aperture, and ten and a half feet focal length, made by Fitz. It has six negative eye-pieces magnifying from 60 to 480 times. It has also a clock attached for keeping the object in the field of view. It has been mounted in a suitable building which was erected for the purpose.

Religious Instruction.

St. Stephen's College is an Academic Body composed of religious men—Trustees, Professors, and Students—who are communicants of the Protestant Episcopal Church. The religious culture of the student is a prominent object. For this purpose they are required to attend daily morning and evening services in the College Chapel, and the usual services on Sunday under the pastoral superintendence of the Warden of the College.

Grounds and College Buildings.

The landed property of the College consists of about twenty acres of ground beautifully diversified by wood and lawn, and peculiarly well fitted for the health and enjoyment of the students in their leisure hours.

The College Chapel is a preëminently beautiful building of stone, in which the students of the College attend service morning and evening. It is also the parish church of the neighborhood, having been consecrated in 1860, by the name of the Church of the Holy Innocents. It is the gift of John Bard, Esq., of Annandale.

The south wing of the College was erected in 1861. It is seventy-five feet by forty, standing on elevated ground. It contains recitation rooms, library, rooms for thirty-two students, and refectory, which is under the superintendence of a matron who resides in the building.

During the summer vacation of 1868, a building seventy feet by thirty-eight was erected. It contains accommodations for thirty-one students and for a College officer.

The Ludlow and Willink Hall was built in 1869. It is the residence of the Warden of the College, and also con-

tains a spacious hall for public purposes. This is a memorial gift of Elizabeth Ludlow and her sister Cornelia Ann Willink of New York.

A Dining Hall sixty feet by thirty was built in 1873, with money given by Miss Preston.

Expenses.

The charges are \$225 per annum, for board, washing, fuel, lights, and partly furnished rooms. The bills are payable half yearly in advance. The balance on scholarships, if fifty dollars or more, is payable half in November, and half in February. Board at the rate of five dollars per week will be charged for the Christmas and Easter recesses.

Terms and Vacations.

There are three terms in the year. Christmas term begins September 12, and ends December 22. Easter term begins Jan. 3, and ends March 20. Trinity term begins April 2, and continues to Commencement, which is Thursday, June 2. There is a recess of twelve days beginning December 22, and another of ten days beginning March 20. All students are required to return to College so as to be ready to attend recitations the morning after term commences. The failure to do so will subject the student to a fine.

Situation.

The College is situated on the Hudson river, in the town of Red Hook, in Dutchess county, between Barrytown and Tivoli. It is easily reached from the Barrytown station, which is about $2\frac{1}{4}$ miles distant. The post-office address is Annandale, N. Y. Telegraph office at Barrytown, N. Y.

Societies.

The following Societies are recognized by the College authorities: The EULEXIAN, the KAPPA GAMMA CHI, the SIGMA PHI, the MISSIONARY SOCIETY, and the ST. PETER'S BROTHERHOOD.

The *Eulexian Society* was organized in 1860, the *Kappa Gamma Chi* in 1868, and the *Sigma Phi* in 1870. The meetings are held Friday evening of each week. The exercises consist of declamation, composition and debate.

The *Missionary Society* was organized in 1864. Its purpose is to encourage a missionary spirit among the students and to furnish means of obtaining missionary intelligence. The meetings are held on the first Sunday evening of each month.

The anniversary of this society is celebrated with divine service in the College Chapel the evening before Commencement. At the last anniversary, 1881, The Rev. I. S. Shipman, D.D., D.C.L., preached the sermon.

The *St. Peter's Brotherhood* is an association devoted to religious and charitable works, under the direction of the Warden of the College, among the persons who attend the Chapel as their parish church.

Convocation of the Alumni of St. Stephen's College.

THE REV. JOSEPH CAREY, M.A., D.D.,	<i>President.</i>
PROF. JAMES STRYKER, M.A.,	<i>Vice President.</i>
THE REV. ARTHUR C. KIMBER, M.A., B.D.,	<i>Treasurer.</i>
THE REV. JOSEPH D. HERRON, M.A., S.T.B.,	<i>Secretary.</i>

Honors.

Prizes are given at Commencement for superior scholarship at the daily recitation.

The Rev. John McVickar, D.D., left one thousand dollars, the income of which is to be given as an "annual prize

in money, or a medal, or otherwise, as the Warden shall determine, to the scholar of the graduating class, who, intending to enter the ministry of the Church, shall excel in elocution."

Mr. William Ashmead Bartlett of Keble College, Oxford, establishes, in memory of Mrs. John Bard, a prize of books to the value of fifty dollars to be given to the Primus of the graduating class, but when there is no Primus the books will be given to the College Library.

Mrs. Pruyn gives fifty dollars in prizes of books, in memory of the late President of the Board of Trustees and Chancellor of the University of the State of New York—the Hon. John V. L. Pruyn, LL.D.

The Rev. Francis Harison, D.D., an Alumnus of the College, gives an annual prize to the best scholar in the Greek of the New Testament.

Scholarships.

The Rev. John McVickar, D.D., bequeathed to the College two thousand dollars for the endowment of a scholarship, which the Trustees have named *The McVickar Scholarship*.

The Ellis Bartlett Scholarship of £40 a year has been established by Mrs. Sophia Ashmead Bartlett of London, in memory of her husband.

Prizes.

To obtain these prizes the student must not only be the first in his class, but his marks must be at least 95.

All students are on probation until Epiphany, when they are required to matriculate. They must be at least *fifteen* years of age, and be ready to subscribe the declaration prescribed by the Board of Trustees.

An aptitude for study, industrious habits, perseverance, an obedient and orderly disposition, and especially a love of works of piety, are qualities which should characterize those applying for scholarships. When young men recognize the want of any of these qualities, it would be well not to accept an appointment to the College, and thus save themselves and their friends from future disappointment and mortification.

All applicants, whether for Preparatory or Freshman class, will be examined in

Arithmetic,
Geography,
English Grammar,
Spelling.

From those who come from any Academy of the State of New York, a Regents' certificate of Academic Scholarship will be received in lieu of the above examination.

Applicants for the Freshman class will, in addition, be examined,

In Latin: Cæsar, four books; Virgil's *Æneid*, six books; Cicero, six orations; Sallust's *Catiline*; and *Jugurthine War*, or Virgil's *Eclogues*; and 12 chapters of Arnold's *Latin Prose Composition*; Andrews' *Latin Grammar*.

In Greek: Xenophon's *Anabasis*, three books, or Jacob's *Greek Reader*; Homer's *Illiad*, three books; and *Grammar*, including *Prosody*; Hadley's *Grammar*.

In Mathematics: *Algebra to Quadratic Equations*; and six books of *Plane Geometry*.

For the above examination for the Freshman class a Regents' College entrance certificate will be received.

PREPARATORY COURSE OF CANDIDATES FOR
ORDERS.

An opportunity is afforded to those who do not intend to pursue the regular course of study for a degree, but who wish to become candidates for orders, of reciting with such classes as will prepare them for an examination on the subjects prescribed by the canons of the Church. Such a course will require two or three years, according to the previous preparation of the student. Those who satisfactorily sustain the examination will be furnished with a certificate to that effect. The examination, according to the canon, will embrace the following subjects:

English Language and Literature.

Logic.

Rhetoric.

Mental Philosophy.

Moral Philosophy.

Physics—or Natural Philosophy.

History.

Latin Language.

Greek Language.

A student, who sustains an examination on the Latin and Greek of the two Preparatory classes, and of the Freshman class, and on the English studies of the Junior and Senior classes, will be enrolled as an Alumnus of the College.

EXAMINATION.

The standing of students is determined entirely by an examination, and conducted mostly in writing. There is an examination at the end of each term in Latin and Greek, in English Language and Literature, in Natural, Mental and

Moral Philosophy, Astronomy, Logic, Rhetoric, Hebrew, and the different branches of Mathematics, only when the book or study has been completed. A student marked below 75 is regarded as not having sustained his examination, and will not be recommended for the degree of Bachelor of Arts until all the required examinations are sustained.

By a rule of the Board of Trustees, the degree of Master of Arts may be conferred on those Bachelors of Arts of three years standing, who shall have performed satisfactorily such literary exercises as may be assigned them by the Faculty.

COMMENCEMENT.

The next annual Commencement will be held on Thursday, June 19th, 1884. Divine service will begin in the College Chapel at 12 o'clock M., and the usual literary exercises of the students at 1 P. M.

LIBRARY AND APPARATUS.

There are at present about 2,700 volumes in the Library. A valuable collection of Philosophical Apparatus was presented to the College by the Hon. J. V. L. Pruyn in 1865. Mr. John Campbell presented a telescope in 1875. The telescope is an achromatic refractor of eight inches aperture and ten and a half feet focal length, made by Fitz. It has six negative eye-pieces magnifying from 60 to 480 times. It has also a clock attached, for keeping the object in the field of view. It has been mounted in a suitable building, which was erected for the purpose.

RELIGIOUS INSTRUCTION.

St. Stephen's College is an Academic Body, composed of religious men—Trustees, Professors and Students—who are communicants of the Protestant Episcopal Church. The religious culture of the student is a prominent object. For this purpose they are required to attend daily morning and evening services in the College Chapel, and the usual services on Sunday, under the pastoral superintendence of the Warden of the College.

GROUNDS AND COLLEGE BUILDINGS.

The landed property of the College consists of about twenty acres of ground beautifully diversified by wood and lawn, and peculiarly well fitted for the health and enjoyment of the students in their leisure hours.

The College Chapel is a preëminently beautiful building of stone, in which the students of the College attend service morning and evening. It is also the parish church of the neighborhood, having been consecrated in 1860, by the name of the Church of the Holy Innocents. It is the gift of John Bard, Esq., of Annandale.

The south wing of the College was erected in 1861. It is seventy-five feet by forty, standing on elevated ground. It contains recitation rooms, library, rooms for thirty-two students, and refectory, which is under the superintendence of a matron who resides in the building.

During the summer vacation of 1868, a building seventy feet by thirty-eight was erected. It contains accommodations for thirty-one students and for a College officer.

The Ludlow and Willink Hall was built in 1869. It is the residence of the Warden of the College, and also con-

tains a spacious hall for public purposes. This is a memorial gift of Elizabeth Ludlow and her sister Cornelia Ann Willink, of New York.

A Dining Hall, sixty feet by thirty, was built in 1873, with money given by Miss Preston.

EXPENSES.

The charges are \$225 per annum, for board, washing, fuel, lights and partly furnished rooms. The bills are payable half-yearly in advance. The balance on scholarships, if fifty dollars or more, is payable half in November, and half in February. Board at the rate of five dollars per week will be charged for the Christmas and Easter recesses.

TERMS AND VACATIONS.

There are three terms in the year. Christmas term begins September 10, and ends December 22. Easter term begins January 3, and ends April 8. Trinity term begins April 21, and continues to Commencement, which is Thursday, June 19. There is a recess of twelve days, beginning December 22, and another of ten days, beginning April 8. All students are required to return to College so as to be ready to attend recitations the morning after term commences. The failure to do so will subject the student to a fine.

SITUATION.

The College is situated on the Hudson River, in the town of Red Hook, in Dutchess county, between Barrytown and Tivoli. It is easily reached from the Barrytown station, which is about $2\frac{1}{4}$ miles distant. The post-office address is Annandale, N. Y. Telegraph-office at Barrytown, N. Y.

SOCIETIES.

The following Societies are recognized by the College authorities: The EULEXIAN, the KAPPA GAMMA CHI, the SIGMA PHI, the MISSIONARY SOCIETY, and the ST. PETER'S BROTHERHOOD.

The *Eulexian Society* was organized in 1860, the *Kappa Gamma Chi* in 1868, and the *Sigma Phi* in 1870. The meetings are held Friday evening of each week. The exercises consist of declamation, composition and debate.

The *Missionary Society* was organized in 1864. Its purpose is to encourage a missionary spirit among the students and to furnish means of obtaining missionary intelligence. The meetings are held on the first Sunday evening of each month.

The anniversary of this society is celebrated with divine service in the College Chapel the evening before Commencement. At the last anniversary, 1883, the Rev. George W. Douglas, M.A., preached the sermon.

The *St. Peter's Brotherhood* is an association devoted to religious and charitable works, under the direction of the Warden of the College, among the persons who attend the Chapel as their parish church.

Convocation of the Alumni of St. Stephen's College.

THE REV. JOSEPH CAREY, M.A., D.D. *President.*
 PROF. JAMES STRYKER, M.A. *Vice-President.*
 THE REV. ARTHUR C. KIMBER, M.A., B.D. *Treasurer.*
 THE REV. JOSEPH D. HERRON, M.A., S.T.B. *Secretary.*

HONORS.

Prizes are given at Commencement for superior scholarship at the daily recitation.

The Rev. John McVickar, D.D., left one thousand dollars, the income of which is to be given as an "annual prize

in money, or a medal, or otherwise, as the Warden shall determine, to the scholar of the graduating class who, intending to enter the ministry of the Church, shall excel in elocution."

Mr. William Ashmead Bartlett, of Keble College, Oxford, establishes, in memory of Mrs. John Bard, a prize of books to the value of fifty dollars, to be given to the Primus of the graduating class; but when there is no Primus, the books will be given to the College Library.

Mrs. Pruyn gives fifty dollars in prizes of books, in memory of the late President of the Board of Trustees and Chancellor of the University of the State of New York—the Hon. John V. L. Pruyn, LL.D.

The Rev. Francis Harison, D.D., an Alumnus of the College, gives an annual prize to the best scholar in the Greek of the New Testament.

SCHOLARSHIPS.

The Rev. John McVickar, D.D., bequeathed to the College two thousand dollars for the endowment of a scholarship, which the Trustees have named *The McVickar Scholarship*.

The Ellis Bartlett Scholarship of £10 a year has been established by Mrs. Sophia Ashmead Bartlett, of London, in memory of her husband.

The Caroline Bard Scholarship entitles the student nominated by the Warden of the College, to \$225 annually.

PRIZES.

To obtain these prizes the student must not only be the first in his class, but his marks must be at least 95.

THE REPORT OF THE BOARD OF TRUSTEES,

Read in the Convention of the Diocese of New York, September 28, 1883.

The Warden of St. Stephen's College begs to report, on behalf of the Trustees, that eight graduated at the late Commencement as Bachelors of Arts, and that two others completed the course of study appointed for those applying to be admitted Candidates for Orders. The new Academic Year began on the 12th of September, with sixty Students. Ten or more were declined for the want of means at the disposal of the College to furnish Scholarships, and also for the want of room. All the rooms are now occupied. Were the College able to receive all who have applied, the number this year would be over seventy.

The Trustees have resolved to begin the erection of a building* for the accommodation of Students, and also to contain Lecture Rooms. The building is planned with reference to the future wants and growth of the College, and will be put up in sections, according to the needs of the College and the means which may be furnished. They will begin the work on Monday next. They will want about twenty thousand dollars more than they now have on hand, in order to complete and furnish the building, and have it ready at the opening of the next Academic Year.

It may be well to say, that St. Stephen's College was founded at the request of this Convention, and that it was

* The building, which is represented on the first page of the Catalogue, will be 400 feet long, and will contain rooms for more than one hundred Students and also four or more spacious lecture rooms. The first section of it, which is now begun, will occupy 75 feet of the extreme right of the plan. It is expected that this section will be ready for the reception of Students at the beginning of the next Academic Year, September 10, 1884.

accepted as the Diocesan Training College for the Ministry, and asked to make an annual report. The real founder of the College is the present Bishop of the Diocese. His faith and confidence in it have never wavered. Year after year he has brought it to the notice of the Church. Many distinguished Clergymen and Laymen were in sympathy with the Bishop, such as McVickar and Vinton, De Peyster and Pruyn, Aspinwall and Sargent, and Mrs. John Bard. They came forward at the call of this Convention and of the Society for Promoting Religion and Learning. Many of its first friends have passed away from the work of the Church on earth, and their places have been taken by young men, who will make a name for themselves—worthy successors of the persons whom I have mentioned.

The College has shown its ability to do the work which was asked. It is a Church College. The life at Annandale is Church life. Its Chapel and daily Service, and weekly Communion, make the Catholic faith a reality. No one can live there without partaking of the spirit. It is not obtrusive, but it is the natural life of a family. This faith there is a matter of course. They do not often hear of Agnosticism, or Evolution, but they probably have their minds imbued with doctrines that can meet the prevalent skepticism of the day. A hundred and thirty of those educated there are now in Holy Orders, and are doing the work of the Church. A more faithful family of children, who have gone out from their home, could not more lovingly turn their hearts towards their Alma Mater than do the graduates of St. Stephen's.

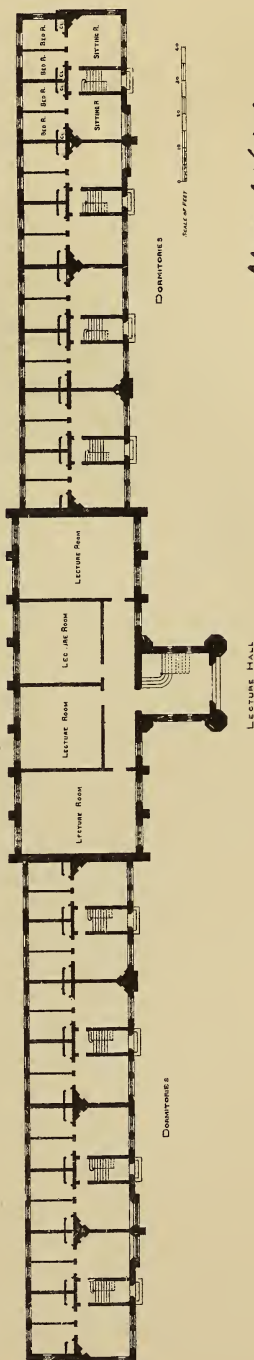

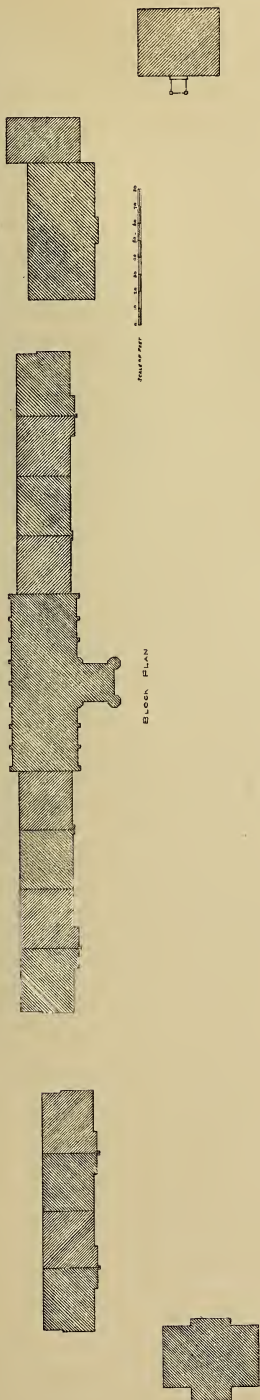

No doubt, when the College is furnished with more suitable buildings, Churchmen will recognize it as a privilege to have their sons educated there, whether they have the Ministry in view or not. They will esteem it one of the highest advantages, that their sons may so grow up in the faith and worship of the Church, that there will be no place in their minds for doubt and skepticism.

The Church has shown her sympathy with the College. The work has been carried on for twenty-three years, and no debt of any amount has been incurred. Very few Church Institutions have had, in this respect, so successful a career. It is, of course, also greatly owing to the prudence in the Board of Trustees in not enlarging their work, except as the means were placed at their disposal. They have now a property worth nearly a hundred and fifty thousand dollars, without any incumbrance. They expect the sympathy of the Church in their present enlargement, and a more pronounced sympathy even than they have yet received. They are going to erect a portion of a building, in the confident expectation that the Church will show its approval of the work in larger contributions than they have yet received. They hope to render their return to the Church in the larger number of men that the College will send into the Ministry, in the better education that she will carry on, and in the higher instruction that she will give. They hope that the College, for the future, will still more faithfully reflect the mind of the Church, and that it will be an Institution which will be a monument of the wise forethought of the Bishop, as well as an Institution to which the Diocese may point with a high degree of satisfaction. All which is respectfully submitted.

ADMISSION.

The following persons will be received as students, viz.: Those who present evidence of having been appointed scholars of the Society for the Promotion of Religion and Learning;

Those who present testimonials of moral and religious character, and who are prepared to commence their classical studies for entrance to the Freshman class of *this* College, or who are prepared to enter any advanced class;

And those who wish for special preparation, in order to enter the General Theological Seminary.

All students are on probation until Epiphany, when they are required to matriculate. They must be at least *fifteen* years of age, and be ready to subscribe the declaration prescribed by the Board of Trustees.

An aptitude for study, industrious habits, perseverance, an obedient and orderly disposition, and especially a love of works of piety, are qualities which should characterize those applying for scholarships. When young men recognize the want of any of these qualities, it would be well not to accept an appointment to the College, and thus save themselves and their friends from future disappointment and mortification.

All applicants, whether for Preparatory or Freshman class, will be examined in

Arithmetic,
Geography,
English Grammar,
Spelling.

From those who come from any Academy of the State of New York, a Regents' certificate of Academic Scholarship will be received in lieu of the above examination.

EXAMINATION.

The standing of students is determined entirely by an examination, and conducted mostly in writing. There is an examination at the end of each term in Latin and Greek, in English Language and Literature, in Natural, Mental and Moral Philosophy, Astronomy, Logic, Rhetoric, Hebrew, and the different branches of Mathematics, only when the book or study has been completed. A student marked below 75 is regarded as not having sustained his examination, and will not be recommended for the degree of Bachelor of Arts until all the required examinations are sustained.

By a rule of the Board of Trustees, the degree of Master of Arts may be conferred on those Bachelors of Arts of three years standing, who shall have performed satisfactorily such literary exercises as may be assigned them by the Faculty.

COMMENCEMENT.

The next annual Commencement will be held on Thursday, June 18th, 1885. Divine service will begin in the College Chapel at 12 o'clock M., and the usual literary exercises of the students at 1 P. M.

LIBRARY AND APPARATUS.

There are at present about 2,700 volumes in the Library. A valuable collection of Philosophical Apparatus was presented to the College by the Hon. J. V. L. Pruyn in 1865. Mr. John Campbell presented a telescope in 1875. The telescope is an achromatic refractor of eight inches aperture and ten and a half feet focal length, made by Fitz. It has six negative eye-pieces magnifying from 60 to 480 times. It has also a clock attached, for keeping the object in the field of view. It has been mounted in a suitable building, which was erected for the purpose.

RELIGIOUS INSTRUCTION.

St. Stephen's College is an Academic Body, composed of religious men—Trustees, Professors and Students—who are communicants of the Protestant Episcopal Church. The religious culture of the student is a prominent object. For this purpose they are required to attend daily morning and evening services in the College Chapel, and the usual services on Sunday, under the pastoral superintendence of the Warden of the College.

GROUNDS AND COLLEGE BUILDINGS.

The landed property of the College consists of about twenty acres of ground beautifully diversified by wood and lawn, and peculiarly well fitted for the health and enjoyment of the students in their leisure hours.

The College Chapel is a preëminently beautiful building of stone, in which the students of the College attend service morning and evening. It is also the parish church of the neighborhood, having been consecrated in 1860, by the name of the Church of the Holy Innocents. It is the gift of John Bard, Esq., of Annandale.

The south wing of the College was erected in 1861. It is seventy-five feet by forty, standing on elevated ground. It contains recitation rooms, library, rooms for thirty-two students, and refectory, which is under the superintendence of a matron who resides in the building.

During the summer vacation of 1868, a building, seventy feet by thirty-eight, was erected. It contains accommodations for thirty-one students and for a College officer.

The Ludlow and Willink Hall was built in 1869. It is the residence of the Warden of the College, and also con-

tains a spacious hall for public purposes. This is a memorial gift of Elizabeth Ludlow and her sister Cornelia Ann Willink, of New York.

A Dining Hall, sixty feet by thirty, was built in 1873, with money given by Miss Preston, of Barrytown.

Two sections of the south wing of the new College Building, affording accommodation for twenty-four students, there being twelve sitting-rooms, with two bed-rooms attached to each, were opened February 2, 1885. The building is constructed of blue stone from Ulster County, trimmed with Ohio sandstone.

EXPENSES.

The charges are \$225 per annum, for board, washing, fuel, lights, and partly furnished rooms. The bills are payable half-yearly in advance. The balance on scholarships, if fifty dollars or more, is payable half in November, and half in February. Board at the rate of five dollars per week will be charged for the Christmas and Easter recesses.

TERMS AND VACATIONS.

There are three terms in the year. Christmas term begins September 9, and ends December 22. Easter term begins January 3, and ends March 31. Trinity term begins April 13, and continues to Commencement, which is Thursday, June 18. There is a recess of twelve days, beginning December 22, and another of ten days, beginning March 31. All students are required to return to College so as to be ready to attend recitations the morning after term commences. The failure to do so will subject the student to a fine.

SITUATION.

The College is situated on the Hudson River, in the town of Red Hook, in Dutchess county, between Barrytown and

Tivoli. It is easily reached from the Barrytown station, which is about $2\frac{1}{4}$ miles distant. The post-office address is Annandale, N. Y. Telegraph office at Barrytown, N. Y.

SOCIETIES.

The following Societies are recognized by the College authorities: The EULEXIAN, the KAPPA GAMMA CHI, the SIGMA PHI, the MISSIONARY SOCIETY, and the ST. PETER'S BROTHERHOOD.

The *Eulexian Society* was organized in 1860, the *Kappa Gamma Chi* in 1868, and the *Sigma Phi* in 1870. The meetings are held Friday evening of each week. The exercises consist of declamation, composition and debate.

The *Missionary Society* was organized in 1864. Its purpose is to encourage a missionary spirit among the students and to furnish means of obtaining missionary intelligence. The meetings are held on the first Sunday evening of each month.

The anniversary of this society is celebrated with divine service in the College Chapel the evening before Commencement. At the last anniversary, 1884, the Rt. Rev. T. U. Dudley, D.D., Bishop of Kentucky, preached the sermon.

The *St. Peter's Brotherhood* is an association devoted to religious and charitable works, under the direction of the Warden of the College, among the persons who attend the Chapel as their parish church.

HONORS.

Prizes are given at Commencement for superior scholarship at the daily recitation.

The Rev. John McVickar, D.D., left one thousand dollars,

the income of which is to be given as an "annual prize in money, or a medal, or otherwise, as the Warden shall determine, to the scholar of the graduating class who, intending to enter the ministry of the Church, shall excel in elocution."

Mr. William Ashmead Bartlett, of Keble College, Oxford, establishes, in memory of Mrs. John Bard, a prize of books to the value of fifty dollars, to be given to the Primus of the graduating class; but when there is no Primus, the books will be given to the College Library.

Mrs. Pruyn gives fifty dollars in prizes of books, in memory of the late President of the Board of Trustees and Chancellor of the University of the State of New York—the Hon. John V. L. Pruyn, LL.D.

The Rev. Francis Harison, D.D., an Alumnus of the College, gives an annual prize to the best scholar in the Greek of the New Testament.

SCHOLARSHIPS.

The Rev. John McVickar, D.D., bequeathed to the College two thousand dollars for the endowment of a scholarship, which the Trustees have named *The McVickar Scholarship*.

The Ellis Bartlett Scholarship of £40 a year has been established by Mrs. Sophia Ashmead Bartlett, of London, in memory of her husband.

The Caroline Bard Scholarship entitles the student nominated by the Warden of the College, to \$225 annually.

Thirty-five scholarships for the aid of young men studying for the ministry were supplied the last year by the Society for Promoting Religion and Learning.

PRIZES.

To obtain these prizes the student must not only be the first in his class, but his marks must be at least 95.

ADMISSION.

The following persons will be received as students, viz.: Those who present evidence of having been appointed scholars of the Society for the promotion of Religion and Learning;

Those who present testimonials of moral and religious character, and who are prepared to commence their classical studies for entrance to the Freshman class of *this* College, or who are prepared to enter any advanced class;

And those who wish for special preparation, in order to enter the General Theological Seminary.

All students are on probation until Epiphany, when they are required to matriculate. They must be at least *fifteen years* of age, and be ready to subscribe the declaration prescribed by the Board of Trustees.

An aptitude for study, industrious habits, perseverance, an obedient and orderly disposition, and especially a love of works of piety, are qualities which should characterize those applying for scholarships. When young men recognize the want of any of these qualities, it would be well not to accept an appointment to the College, and thus save themselves and their friends from future disappointment and mortification.

All applicants, whether for Preparatory or Freshman class, will be examined in

Arithmetic,
Geography,
English Grammar,
Spelling.

From those who come from any Academy of the State of New York, a Regents' certificate of Academic Scholarship will be received in lieu of the above examination.

Applicants for the Freshman class will, in addition, be examined.

In Latin : Cæsar, four books ; Virgil's *Æneid*, six books ; Cicero, six orations ; Sallust's *Catiline* ; and *Jugurthine War*, or Virgil's *Eclogues* ; and 12 chapters of Arnold's *Latin Prose Composition* ; Andrews' *Latin Grammar*.

In Greek : Xenophon's *Anabasis*, three books, or Jacob's *Greek Reader* ; Homer's *Iliad*, three books ; and *Grammar*, including *Prosody* ; Hadley's *Grammar*.

In Mathematics : *Algebra to Quadratic Equations* ; and six *Books of Plane Geometry*.

For the above examination for the Freshman class a Regent's College entrance certificate will be received.

EXAMINATION.

The standing of students is determined entirely by an examination, and conducted mostly in writing. There is an examination at the end of each term in Latin and Greek, in English Language and Literature, in Natural, Mental and Moral Philosophy, Astronomy, Logic, Rhetoric, Hebrew, and the different branches of Mathematics, only when the book or study has been completed. A student marked below 75 is regarded as not having sustained his examination, and will not be recommended for the degree of Bachelor of Arts, until all the required examinations are sustained.

By a rule of the Board of Trustees, the degree of Master of Arts may be conferred on those Bachelors of Arts of three years standing, who shall have performed satisfactorily such literary exercises as may be assigned them by the Faculty.

COMMENCEMENT.

The next annual Commencement will be held on Thursday, June 17th, 1886. Divine service will begin in the College Chapel at 12 o'clock M., and the usual literary exercises of the students at 1 P. M.

LIBRARY AND APPARATUS.

There having been received the past year 1,000 volumes, mostly on English History and English Literature, from Mr. John Bard, and about 1,000 volumes from the library of the late Rev. J. W. Moore and from the Rev. J. B. Gibson, D.D., there are at present about 4,700 volumes in the Library. A valuable collection of Philosophical Apparatus was presented to the College by the Hon. J. V. L. Pruyn in 1865. Mr. John Campbell presented a telescope in 1875. The telescope is an achromatic refractor of eight inches aperture and

ten and a half feet focal length, made by Fitz. It has six negative eye-pieces magnifying from 60 to 480 times. It has also a clock attached, for keeping the object in the field of view. It has been mounted in a suitable building, which was erected for the purpose.

RELIGIOUS INSTRUCTION.

St. Stephen's College is an Academic Body, composed of religious men—Trustees, Professors and Students—who are communicants of the Protestant Episcopal Church. The religious culture of the student is a prominent object. For this purpose they are required to attend daily morning and evening services in the College Chapel, and the usual services on Sunday, under the pastoral superintendence of the Warden of the College.

GROUNDS AND COLLEGE BUILDINGS.

The landed property of the College consists of about thirty acres of ground beautifully diversified by wood and lawn, and peculiarly well fitted for the health and enjoyment of the students in their leisure hours.

The College Chapel is a preëminently beautiful building of stone, in which the students of the College attend service morning and evening. It is also the parish Church of the neighborhood, having been consecrated in 1860, by the name of the Church of the Holy Innocents. It is the gift of John Bard, Esq., of Annandale.

The south wing of the College was erected in 1861. It is seventy-five feet by forty, standing on elevated ground. It contains recitation rooms, library, rooms for thirty-two students and refectory, which is under the superintendence of a matron who resides in the building.

During the summer vacation of 1868, a building, seventy feet by thirty-eight, was erected. It contains accommodations for thirty-one students and for a College officer.

The Ludlow and Willink Hall was built in 1869. It is the residence of the Warden of the College, and also contains a spacious hall for public purposes. This is a memorial gift of Elizabeth Ludlow and her sister Cornelia Ann Willink, of New York.

A Dining Hall, sixty feet by thirty, was built in 1873, with money given by Miss Preston, of Barrytown.

Two sections of the south wing of the new College building, affording accommodation for twenty-four students, there being twelve sitting-rooms, with two bed-rooms attached to each, were opened February 2, 1885. The building is constructed of blue stone from Ulster County, trimmed with Ohio sandstone.

EXPENSES.

The charges are \$225 per annum, for board, washing, fuel, lights, and partly furnished rooms. There is no charge for tuition. The bills are payable half-yearly in advance. The balance on scholarships, if fifty dollars or more, is payable half in November and half in February. Board at the rate of five dollars per week will be charged for the Christmas and Easter recesses.

TERMS AND VACATIONS.

There are three terms in the year. Christmas term begins September 8, and ends December 22. Easter term begins January 3, and ends April 20. Trinity term begins May 3, and continues to Commencement, which is Thursday, June 17. There is a recess of twelve days, beginning December 22, and another of ten days, beginning April 20. All students are required to return to College so as to be ready to attend recitations the morning after term commences. The failure to do so will subject the student to a fine.

SITUATION.

The College is situated on the Hudson River, in the town of Red Hook, in Dutchess County, between Barrytown and Tivoli. It is easily reached from the Barrytown station, which is about $2\frac{1}{4}$ miles distant. The post-office address is Annandale, N. Y. Telegraph office at Barrytown, N. Y.

SOCIETIES.

The following Societies are recognized by the College authorities: The EULEXIAN, the KAPPA GAMMA CHI, the SIGMA PHI, the MISSIONARY SOCIETY, and the ST. PETER'S BROTHERHOOD.

The *Eulexian Society* was organized in 1860, the *Kappa Gamma Chi* in 1868, and the *Sigma Phi* in 1870. The meetings are held Friday evening of each week. The exercises consist of declamation, composition, and debate.

The *Missionary Society* was organized in 1864. Its purpose is to encourage a missionary spirit among the students and to furnish means of obtaining missionary intelligence. The meetings are held on the first Sunday evening of each month.

The anniversary of this society is celebrated with divine service in the College Chapel the evening before Commencement. At the last anniversary, 1885, the Rev. D. Parker Morgan, M.A., preached the sermon.

The *St. Peter's Brotherhood* is an association devoted to religious and charitable works, under the direction of the Warden of the College, among the persons who attend the Chapel as their parish church.

HONORS.

Prizes are given at Commencement for superior scholarship at the daily recitation.

The Rev. John McVickar, D.D., left one thousand dollars, the income of which is to be given as an "annual prize in money, or a medal, or otherwise, as the Warden shall determine, to the scholar of the graduating class who, intending to enter the ministry of the Church, shall excel in elocution."

Mr. William Ashmead Bartlett, of Keble College, Oxford, establishes, in memory of Mrs. John Bard, a prize of books to the value of fifty dollars, to be given to the Primus of the graduating class; but when there is no Primus, the books will be given to the College Library.

Mrs. Pruyn gives fifty dollars in prizes of books in memory of the late President of the Board of Trustees and Chancellor of the University of the State of New York—the Hon. John V. L. Pruyn, LL.D.

The Rev. Francis Harison, D.D., an Alumnus of the College, has given an annual prize to the best scholar in the Greek of the New Testament.

SCHOLARSHIPS.

The Rev. John McVickar, D.D., bequeathed to the College two thousand dollars for the endowment of a scholarship, which the Trustees have named *The McVickar Scholarship*.

The Ellis Bartlett Scholarship of £40 a year has been established by Mrs. Sophia Ashmead Bartlett, of London, in memory of her husband.

The Caroline Bard Scholarship entitles the student nominated by the Warden of the College to \$225 annually.

Thirty-five scholarships for the aid of young men studying for the ministry were supplied the last year by the Society for Promoting Religion and Learning.

PRIZES.

To obtain these prizes the student must not only be the first in his class, but his marks must be at least 95.
